

Midvale City Leaf Bag Program

As fall weather is upon us, and trees start losing their leaves, we ask for your assistance in helping us keep leaves out of our storm drains by utilizing the leaf bags provided by Midvale City to collect your leaves.

1. Collect leaves from yards, gutters, and storm drain grates, and dispose of them in the provided leaf bags. Please do not put garbage in with the leaves, only bags with leaves will be picked up, no other waste is accepted.
2. Place bag of leaves at curb prior to **7:00 am** on Monday **November 16th** and/or Monday **November 23rd**, to be picked up by Ace Disposal.
3. Waste collectors will only be in your area on the weeks of November 16th, and November 23rd. **Leaves must be at curb prior to 7:00am on Monday, Nov. 16th and/or 23rd. No return, additional or late pickups available.**

Additional bags may be picked up at Midvale City Public Works at 8196 South Main Street
Limit of 5 additional bags while supplies last.

Contact Midvale City Public Works for any questions you may have 801-567-7235.
