DICUSSION

1. MIDVALE GENERAL PLAN UPDATE PRESENTATION AND DISCUSSION

Jim Carter, with Logan Simpson who is the consultant putting together the General Plan update, presented an overview of the draft general plan document. This draft was made available to the public on March 14, 2016. After Mr. Carter presented the highlights of the plan, the Planning Commission reviewed the draft document section by section, asking questions and providing suggested changes. Mr. Carter indicated the discussion was very helpful and the suggestions would be incorporated into a revised draft. It was discussed that the next step in the process would be a formal public hearing with the Planning Commission.
