

MIDVALE CITY

BULK & GREEN WASTE

2016 PROGRAM

Beginning October 3rd, and during the 4 weeks of October, Ace Disposal will pick up both bulk waste items, and green waste items that are too big to fit in your trash cans. There will be separate trucks picking up the items. Green waste will be the first to be picked up, followed by bulk waste. We have provided a map showing the week your area will be ready for pickup. **All items for pick up must be placed out on the curbside prior to 7 a.m. on the Monday of your specified week.**

Green waste items include:

Tree limbs, wood products such as 2 X 4's plywood, particle board, etc. **These items must be cut into 4' lengths and bundled with twine, with not more than 75 pounds per bundle. Otherwise, these items will not be picked up.**

House plants, weeds, grass clippings, and bagged items are *NOT* included and will need to be boxed and put with the bulk waste items to be picked up.

Bulk waste items include:

Furniture, household appliances, carpet, boxed and bagged grass clippings, weeds, house plants and other items too large to fit into your trash container.

Note: All Freon and other refrigerants must be removed from freezers, air conditioners, and refrigerators by a professional and the appliances must be tagged with a copy of the receipt that this has been done.

During other Months,

A 30-yard **bulk** waste dumpster is available for \$180.00 plus tax, or . . .

A 30-yard **green** waste dumpster is available for \$125.00 plus tax.

Please contact City Hall at (801) 567-7200 to schedule either of these services.

Unacceptable items include:

- Rocks, concrete, gravel, dirt, asphalt, or construction debris
- Vehicle parts, tires, or propane tanks
